

SCOPE/ 2020-21/VCS-9
29th May, 2020

Dear Chief Executive,

Sub: 9th Live Webinar on 4th June 2020 - “CPSEs Strategies to Respond, Recover and Thrive to combat the pandemic” Chaired by Secretary, DPE

As you are aware, SCOPE has undertaken many new initiatives to interact with the public sector fraternity and adopted virtual methods to continue its endeavours towards policy advocacy and capacity building of public sector employees.

Given the dynamism in global framework due to COVID Pandemic, it has become imperative to develop a sustained and consistent business environment for public sector enterprises (PSEs). This mandates constructive deliberation of decision makers on the concerns and impact of the ongoing pandemic and explore preparedness of CPSEs to deal with the same. In light of the above, SCOPE is organising a Live Webinar on “CPSEs Strategies to Respond, Recover and Thrive to combat the pandemic” on **Thursday, the 4th June 2020 at 3:30 PM**. The Webinar seeks to address the three key aspects for CPSEs to actualise the Government’s vision of self-reliance- agility to respond to the pandemic, recover to minimise impact of pandemic and exercise resilience to thrive and rise. We are honoured and happy to share that **Shri Sailesh, Secretary, DPE has kindly consented to address the webinar and chair the session**. Our knowledge partners from Deloitte India, **Mr. Arindam Guha, Partner, Government and Public Services** and **Mr. Anandrup Ghose Partner, Human Capital Consulting**, will be making a presentation and also share their expert views on the subject.

In light of the significance of the program, we request you to kindly personally participate in the program and advise your Functional Directors, Independent Directors and senior management for the same. To ensure that a larger audience benefits from the guidance of Secretary, the program details may be circulated widely in your respective organisations.

The program is subject to pre-registration and login details shall be received by registered participants on first come first serve basis. Registrations can be done on <https://attendee.gotowebinar.com/register/4328196044132261643> . To avoid any last minute issues, **GoToWebinar app** should be downloaded on the device in advance. The app is encrypted and highly secured and hence would be best accessible on a laptop, iPad or a similar device. Alternatively, Live streaming of the webinar can viewed on SCOPE YouTube (Pr.SCOPE) and social media of SCOPE (Facebook: OrgSCOPE, Instagram: pr.scope Twitter: PSUSCOPE).

A line in confirmation of the nominated person from your organisation may be emailed to Mr. S. A. Khan, GGM (CA) (+91 9899402245) or Ms. Hema Koul (+91 9899362335) hscope.khan@gmail.com by **Wednesday, the 3rd June 2020**.

We look forward to connecting with you.

With regards,

Yours sincerely,

(Atul Sobti)

**To: Chief Executives of PSEs
Directors of PSEs
SCOPE Nodal Officers of PSEs**

STANDING CONFERENCE OF PUBLIC ENTERPRISES

(An apex body of Public Enterprises)

Virtual Symposium On **CPSEs STRATEGIES** To Respond, Recover and Thrive for combating the pandemic

Date: 4th June 2020

Time: 3:30 pm IST

Register in advance on following link:

<https://attendee.gotowebinar.com/register/4328196044132261643>

CONTEXT

Central Public Sector Enterprises (CPSEs) were institutionalized to make India self-reliant. In the current context of COVID-19 induced downturn, CPSEs would play an important role to actualize Gol's self-reliance vision. The global markets are also looking at "Tilt to India" strategy and it is imperative that CPSEs are prepared for the New Normal. Webinar seeks to consider and uncover go-forward strategies that CPSEs can adopt to become agile, resilient and reinvent themselves

COVERAGE:

Respond- How can CPSEs become agile and respond to the pandemic?

- Assess impact of COVID on Indian economy with focus on slowdown impact on PSEs
- Impact on human resources and alternative working arrangements

Recover: How can CPSEs minimize the impact caused due to the downturn?

- Leaders to adapt to newer technologies
- Attempt to maximize opportunity to change Operating Models, Organization Structure, Performance Management, Remuneration Schemes, etc.
- Develop areas to be future ready

Thrive: How can CPSEs exercise resilience and become better in this downturn?

- Leadership traits
- Explore possibility of New governance trends
- Acceleration of virtual workspace and need to gear for greater adoption of technologies to leverage virtual journey

The Webinar is by invitation only and no participation fee is payable.

For Information Contact: Mr. S.A.Khan, GGM (CA) (Mob: 9899402245) at hscope.khan@gmail.com or Ms. Hema Koul, Prog. Coordinator (Mob: 9899362335)
